A Good Example

This is what Truth in Politics looks and sounds like. Note there is no Republican/Democrat, Left/Right, Conservative/Liberal. . . Progressive Patriot. . . I love it!

Subject: Join me for my First Nationwide Online Listening Session

Dear Jill,

Today I'm writing to ask you to join me Friday, March 10th, at 9:30am central time for the first nationwide Progressive Patriots Online Listening Session (no longer online).

When I first ran for the U.S. Senate in 1992, I promised to hold an open, town-hall style meeting or Listening Session in each of Wisconsin's 72 counties, every single year. These meetings give me the opportunity to hear first-hand what the people are concerned about and, more importantly, they help me do my job better. Listening Sessions are one of the favorite things about my job, and I'm proud that I'll hold my 1000th Listening Session in Wisconsin later this year.

With your support, I've also been able to hold similar Listening Sessions in Alabama, Pennsylvania, New Hampshire, and Vermont. Now, I'm pleased to announce the first nationwide Online Listening Session.

I hope you'll participate in the first nationwide Online Listening Session and take the opportunity to ask a question, say what's on your mind, or just see what others in the online community are talking about. I look forward to hearing from you and doing more of these Listening Sessions in the future.

Sincerely,

Russ Feingold, United States Senator

Honorary Chair, Progressive Patriots Fund
